Parents,

We want our families to be able to attend worship at their home congregations while still providing opportunities for our children to participate in worship services. Therefore, Immanuel students will sing at Immanuel services and Peace students will sing at Peace services. Immanuel and Peace member students are encouraged to sing at the other church and will receive extra credit when they do. Community member children are not required to sing on Sundays for a grade, but are encouraged to sing at either Immanuel, Peace, or both; and will receive extra credit when they do.

Immanuel and Peace students are required to participate at their home church for a performance grade. Should a student not be able to participate at a given service, a parent may provide an excuse by contacting Mrs. Schwalenberg or the school office. All students, Immanuel, Peace and community members, are required to participate in the Spring Musical for a choir performance grade.
